**WOODBURY, NJ - COUNTY CLERK JAMES N. HOGAN ANNOUNCES A FREE
PROPERTY FRAUD ALERT SYSTEM FOR ALL PROPERTY
OWNERS IN THE COUNTY**

Gloucester County Clerk, James N. Hogan, has announced that a free property fraud alert system is now available to all property owners in Gloucester County. This program is part of a new software program that the County Clerk has implemented in conjunction with ACS Computer Services of Dallas, Texas.

Property owners need only to register online with the County Clerk's Office. Once registered, property owners are sent an email alert or receive a telephone call every time a document is recorded in their name at the Gloucester County Clerk's Office. Subscribers must select a method of notification, either by email or telephone call. This email / telephone alert is a free service offered by the County Clerk's Office.

Gloucester County is the fourth county nationwide to offer this layer of protection to property owners. Jim Hogan, the Gloucester County Clerk, is committed to protecting the citizens of Gloucester County from any and all fraudulent and deceptive practices that could cause problems for a person's most important possession – their home.
