Construction Notice
County of Gloucester
Rt. 322 Mullica Hill By Pass Phase I
Harrison Township

**Rt. 322 Mullica Hill By Pass Phase I
Walters Road Area
Harrison Township, Gloucester County**

The County of Gloucester will be starting the Rt. 322 Mullica Hill By Pass Project, Phase I on Monday June 7, 2010. Work will be in and around the Walters Road and Clems Run Road area.

The Project: The purpose of this project is to construct the first phase of the Mullica Hill By Pass. This phase of construction will include roadway improvements along Rt. 322, construction of a new signalized intersection at Clems Run Road, the new By Pass Road and the realignment of Walters Road.

Gloucester County has contracted DeFalco & Bisconti to construct the Rt. 322 Mullica Hill By Pass Phase I Project.

The project will consist of roadway milling, roadway resurfacing, earthwork, construction of the new By Pass Roadway, Walters Road realignment, signal installation, installation of new drainage facilities, and construction of storm water detention basins. A majority of the work will be off the existing roadway alignments and will not interfere with traffic. However there will be stages of work that will require lane shifts or alternating traffic along Rt. 322 as well as the temporary detour of Walters Road. There will be additional notice given when these stages of work are to be implemented. There will be variable message board utilized on this project to keep residents updated on project information.

Residents shall have access to their driveways at all times. Driveway aprons within the project limits shall be maintained by the contractor during construction.

Project Status: The contractor will begin construction on or about the week of June 7, 2010. This project is anticipated being completed within 360 days after the start date.

Stephen M. Sweeney, Freeholder Director

Robert M. Damming, Freeholder Deputy Director

Chad M. Bruner, County Administrator
